

Ludovic vendi

French DJ/producer **Ludovic Vendi** is a musician at heart. Raised in a musical family, has been cultivating his passion since he was born. His Dad, a crooner and pianist, gave him his first taste for music and inspired him to develop his ear by playing the same instrument. His brother then taught him the guitar which lead **Ludovic** to joining a pop rock band in his teens as the lead singer / guitarist. It was later on when he discovered electronic music that he got stuck into production work.

He spent more time in the studio creating tracks than dancing in clubs. From time to time, he would go and see his favourite DJs to find inspiration Sven Vath, R. Hawtin, James Holden, Troy Pierce, Damian Lazarus. This encouraged him to also start Djing, proving that his talents are not restricted to studio work. His DJ sets are a musical journey through deep techno and minimal electro. Dark and hypnotic at times, groovy at others and progressive un parts, he likes to play on big sound systems to amplify each little bleat, bleep and distortion. He played in Paris most prestigious clubs -Rex Club, Studio 287, la Scene, in Germany, Spain (Pachá, Fellini - Barcelona), England (Original Four, 93 East West London - Electro Luxe Nottingham), Venezuela (Kent), Ibiza (Space)...

Production wise, **Ludovic Vendi** mixing minimal sounds with electro-funk grooves creating his own style. He quickly made a name for himself as a consistent and prolific producer with signings on respected labels -Dirt Crew and Criminal (Germany), Waskids (Wordandsound), Gourmet (Chicago). His tracks have been play listed by the worlds leading Djs such as Steve Bug, Sven Vath, Matthew Jonson Mr C, M.A.N.D.Y., Ralph Lawson, Luciano, Silversurfer. His first EP which was released on cutting-edge French label Dialect, known for bringing out the best new talents, particularly got great reactions from critics and Djs and put him in the spotlight. He also got a lot of attention and respect on the circuit. **Ludovic Vendi** also produces with fellow French DJ/producer Anthony Collins as part of the Vibe Dealers. Their latest production, Vibe Di Laine released on Criminal, has been played out by the likes of Tiga, Tiefschwarz, John Dalback, Digitalism, Abe Duque, Phonique, Chloe. The track also features on the French magazine Traxs cover mount CD the mag is the French bible for the best new music around. But also in Live Project with Sascha B. Wagner under the name Robotique with one EP on Dialect 008...
