

bRUNA

bRUNA is one hell of a mixed-up kid. Making his way in the world as a lawyer, his briefcase and record box sit side-by-side. From Sant Cugat del Vallès in Barcelona, sweet Indie Pop melodies inform his approach to IDM and when he DJs you're as likely to hear Adamski and Yazz as Prefuse and Aphex. Having appeared at the past two Sonar Festivals, to the Red Bull Music Academy 2007 in Toronto and releasing soon through Spa.RK and now Paradigma, look to our Catalan man to be laying down the law.

bRUNA presents his very first Maxi, the eagerly awaited "Heartache E.P." Two delicate pieces of emotions which come with a sublime remix of his friend Marc Marzenit.
