

Simon Garcia

Simon has seen his works released on labels such as Dieb Audio, Audio Therapy or Composite Records, either with his real name or his soul-fueled project Larakki. Next tracks & remixes include labels like American's finest OM Records (remixing the brand new single of the forthcoming Wagon Cookin's new album), Natura Sonoris (Henry Saiz's label), Raw Cutz (Shur-I-Kan, Alexkid, Mihai Popoviciu or Kruse & Nurnberg are all releasing there among many others), Supplement Facts (Guy Gerber's imprint), Paradigma Musik (Barcelona's finest tech-house label managed by Marc Marzenit), and some other fine labels that are being captivated with his genuine, timeless, personal and futuristic

sound, which is already getting support for the likes of Laurent Garnier, Jimpster, Guy J, Dyed Soundorom, Motorcitysoul, Nacho Marco, John Digweed, Slam, Gel Abril, Okain, Michel de Hey, and other authentic worldwide tastemakers.

Keep an eye on his brand new label Soylent Green Lab, which he will launch soon on a vinyl basis, featuring the likes of Alain Ho aka DJ Yellow (Composite, Ovum), Phonogenic (Mood Music, 2020 Vision), Stel (Dieb Audio, NRK), Varoslav (Supplement Facts), Daniel Kyo (Plastic City, Night Drive), Kasper (Bassculture, Safari Electronique), Loogin aka Patch Park (Be As One, Variance), Jesus Gonsev (Troubled Kids, ProgCityDeep), Tiago Frageteiro (Hi-Tech2, Composite) and other established artists as well as up-and-coming exciting new talents.

You can tune in with Simon every month on Proton Radio with his brand new podcast The Green Lab, aired the last monday of each month at 6 PM (NY time).
